Introduction to Illustration

with teaching artist

Renée Reichert

The Speed of Life, Newsday

Have you ever wondered what it would be like to be an illustrator? Would you like to illustrate your own book cover? Poetry? Poster for an event?

Please join us as we explore "What is Illustration?" through the art of professional illustrators. Elements of design, color theory and the relationship between images and text will be discussed. Students will then create their own illustration using their choice of media and style.
